

Mandarin United Methodist Church History during 2015

The church reached a milestone in February of 2015 with the payment of the mortgage on the Fred Tomlinson property.

Pastor Will Wold became the associate at Mandarin United Methodist Church on September 14, 2015. The Florida Annual Conference commissioned Will as an provisional Elder at the 2015 session. Seminary training and degree in ministry was completed at Duke University Divinity School after graduating from Florida Southern College. For three years, Will served as an associate pastor and youth director at Knightdale UMC in Knightdale, North Carolina. He also was a Chaplain at Duke University Hospital for a six month period and served Tampa General Hospital for one year in the same capacity.

At Mandarin UMC, Will leads our strategic initiative "New Places for New People," development of additional small groups, works to make places for people to connect with Christ off campus, and works in pastoral care, preaching and worship planning.
